Treasurer's Report

Nothing to Report at this time.

Old Business

Bank Account Status (Coordination with State Party)

- Ken has id'd the account and is going to connect with KREF to get the issues corrected.
- Dale voiced concern about the funds and possibly losing them to the state, after stating he was told by Ken M (current state chair) that transferring the funds from the old D3 account to the new LPL account should not be an issue.

- Jody agreed and asked if we should further research if we should fight to retain the funds or accept what was presented to the LPL by the State Chair.
- The question was raised of what recourse would Jody like to see happen.
- Is there any push back happening, any decision or conclusion should involve the LPL leadership and not just the state leadership.
- Jody offered to contact KREF himself and find out what our options are.

D3 Updates

- Process is underway to correct the D3 money by the state to recover the funds.

Standalone Website and Domain Ownership

- Hosting will not be expensive, maybe \$5 a month. When the new bank account is set up we will address the payment options.

New Business

Official LPKY.ORG Email Addresses

- Jeremy asked the State Chair about the creation of email addresses for the LPL leadership. Is still working on getting this handled.

State Party Platform Committee Ideas (for the 2026 State Convention)

- Jeremy asked for ideas regarding change proposals for next year's convention. This will be set for future business.

Events Discussion

- Events can be costly. Can we afford to attend some. Could be dependent on the whole bank account issue.
 - Gaslight = (apox.)\$800
 - Ky State Fair = \$???
 - let's set a goal for the number and the size of events we try to attend
 - Materials for events are needed to be coordinated
 - State Level events
 - Ky State fair
 - Fancy fair
 - Derby

City Council Meetings

- Should we as LPL leadership attend these meetings?
- Do we need to identify ourselves as LPL? No.
- If we attend we should bring LP swag to hand out.

Added: Post-convention discussion

- Concerns related to how State Convention played out were voiced and discussed

Added: Contact data access

- Dale addressed his loss of access to the documents Jeremy Fickin had been compiling of party membership

- Jody inquired about the nature of the content of the documents and the documents themselves, which were on Jeremy's private account, and included data aggregated from multiple sources, some of which had been provided by Dale in physical form
- Jody expressed his view that these were private documents
