Treasurer's Report

- Nothing to Report at this time, finance-wise. Brief discussion on the status of setting up the bank account, and compliance with KREF.
- Dale Gillespie expressed concerns about the state party's handling of the District 3 bank account and KREF, and wanted to hear from Jody about this effort to discuss this with KREF. Jody has not contacted KREF.

Old Business

- There was a discussion of the incident last year at the Kentucky State Fair, and its impact on our ability to have a booth there.

- Jeremy discussed the Gaslight Festival, and suggested that we have the state pay for the booth, and he/LPL operate the booth (if the state party will pay for it).
- Dale expressed concern about the lack of activity with the county and state parties. Discussion about issues with the website and the lack of events being posted, and about the efforts involved with the backend systems.
- Discussion about booth accommodations (particularly a tent), potentially our own booth kit. Flags were discussed.

New Business

- Jody (remotely) moved to move our meetings to Wednesday nights (3rd Wednesday of each month) to better accommodate his schedule. Dale is ok with this. Karl is ok with this. Jeremy will contact Flanagan's to verify whether or not Wednesday's are available. A concern for conflicts with church schedules was discussed.
- There was agreement to move the business meetings to the third Wednesday of every other month. The scheduling of the socials will remain on the third Tuesday of every opposing month, but this will be revisited at the next business meeting.

Adjournment

- The meeting adjourned at 10:29 PM, EST.
- These minutes were prepared and submitted by Karl Licht, Secretary, for approval at the next regular business meeting.
